What is the Camp Counselors USA Camp Job Fair and why should you attend?

1. This is a unique opportunity for you to come and interview face-to-face with American Summer Camp Directors.
2. You can potentially line up your job at an American summer camp for 2012. You will know 4 to 5 months in advance where you will be working, your start and end dates of employment and your role at camp. You then have plenty of lead in time to arrange flights, visa's and savings! There are hundreds of jobs available at the Camp Job Fairs
3. CCUSA has successfully been hosting Camp Job Fairs for the past 17 years. Many Camp Directors come back year after year to personally meet, interview and hire great Aussie Camp Counselors to work at their camps. For the past 6 years over 95% of attendees walked away with a job on the day!

NOTE: So watch out for imitations and go with CCUSA for the best overall price, service and so you can get access to the most camps to interview with. More Summer Camps = More Choices!

What can I do on the day of the Camp Job Fair?

- Attend a FREE Information Session about Camp Counselors USA

- Apply to the program
- Interview with the Camp Directors (once you have applied)
- Walk away with a job!

- Talk to other adventure travel companies*

* might not be available at all events

How do I get involved? How do I apply?

1. Log on to www.ccusa.com.au to learn about the program
2. Click on apply or go to <http://applications.ccusa.com>
3. Complete your application form, follow the instructions and pay at least your application fee.
4. Have your interview with CCUSA (you need to be screened by CCUSA staff before meeting the Camp Directors).
5. To avoid long queues on the day, do steps 1 to 4 above in January. See the Pre-Fair Recruitment / Q & A Interview section for more details!

What camps will be at the Camp Job Fair?

Keep reading for the full list of the American Summer Camps, including the jobs they are hiring for in Australia and more. There is a great variety of camp types and locations to choose from. Also, be sure to visit our website for further details on the camps and to view video footage!

Note: If there isn't a camp listed here that appeals to you or you do not get offered a position at the Camp Job Fair, keep in mind that these are only a few of the 1000 camps that CCUSA works with, all who love hiring Aussies, so don't worry, if accepted we can place you elsewhere.

What if I have already applied?

- If you have been officially accepted by CCUSA prior to the Camp Job Fairs and are not placed at a camp, you are invited to the "VIP Hiring Session" giving you early entry into the Camp Directors Hiring Room. On the day of the Camp Job Fair you will simply pick up a copy of your application form from the CCUSA Application Desk and walk straight through to meet with the Camp Directors.

- If you have applied but not yet had a Q & A Interview with CCUSA you will need to do this before you can speak to the Camp Directors. CCUSA are conducting Q & A Interviews at our Pre-Fair Recruitment / Q & A Interview days and at the Camp Job Fairs. Do this now to get access to the "VIP Hiring Session".

What if I want to apply on the day?

This is totally fine, but again we recommend you apply beforehand.

- To interview with the Camp Directors you will need to submit an application form and have a Q & A Interview with CCUSA. If you can't complete the online application prior to the event, paper application forms will be available on the day.
- Bring one smiling passport sized photo, any relevant references and current certificates and pay the Application fee. Allow plenty of time at the Camp Job Fair to go through the application and the Q & A Interview process!

Why CCUSA's Job Fairs?

When deciding which company to trust with your summer camp adventure and which Camp Fair / Event to attend, be sure to do your research!

CCUSA are the leaders in Australia in helping people get to camp and run the original, biggest and best summer Camp Job Fairs every year.

Others may try to copy our professional and successful Camp Job Fairs, but they don't come close. Make the right choice - CCUSA!

- CCUSA has the most camps attending and we provide you with the opportunity to interview with actual American Camp Directors.
 - CCUSA give you a list of camps attending, including details of each camp, what they are hiring for, work dates and more, well in advance so you can make an informed decision on which camps you want to interview with! Others can't even tell you what camps are attending or even how many are coming, nor do they give you the choice as to who you can interview with!
 - CCUSA's program will cost you up to AU\$100 less than other companies, but give you more!
 - CCUSA has placed every person we have accepted for 23 out of the past 25 years of operation in Australia! No one else can come close to this record - so if you want the best chance to go to camp - Choose CCUSA!
 - CCUSA includes a 3-month work and travel insurance policy at no cost (saving you over AU\$495). Others just give you medical coverage leaving you to cover the rest by yourself at your expense!
 - CCUSA works with STA Travel giving you access to your personal travel agent all over the country as well as a dedicated STA Travel/CCUSA Advisors - CCUSA doesn't limit you to just 1 person or Branch. With STA Travel's "Price Beat Guarantee" they will beat any airfare quote. If they can't, they'll give you \$1000 travel credit! (Conditions apply).
 - CCUSA pays more pocket money than any other company in Australia. Earn up to US\$370 more with CCUSA (you could almost pay for your flight to America with this difference!)
 - CCUSA help more Australians get to camp every year. This is due to our reputation amongst camps, participants and their parents.
 - So before you apply, pay your fees and are locked in, be sure to do your research. You don't want to sign up to the wrong company where you have paid up to AU\$100 more, make up to US\$370 less in pocket money and have less camps and less choices to interview with or get placed at!
- So come and put your trust in CCUSA like the majority of Aussies do. Don't you deserve the best?
